Certifications: AWS Certified Cloud Practitioner (in progress, expected Nov 2026); IB Diploma

TECHNICAL EXPERIENCE

M&V Rivas S.A.C. **Oct 2026 – Present**
Database & Full-Stack Developer (Contract) *Remote*

- Designing a MySQL relational database for a coffee export company that sells green coffee on behalf of partner cooperatives.
- Translated real green-coffee purchase contracts into a normalized schema of entities, relationships and constraints for contract, supplier and shipment data.
- Developing a Java web application that gives employees browser-based access to query company data, versioned in a private GitHub repository.

Cooperativa Agraria Cafetalera Juan Santos Atahualpa **Sep 2026 – Present**
Web Developer (Contract) *Remote*

- Leading improvements to coop-atahualpa.com for a Peruvian coffee cooperative, gathering requirements directly from management.
- Proposed and building new content, including a section on the cooperative's insect-rearing facility, to better present its operations to buyers and partners.
- Restoring broken Facebook, WhatsApp, Instagram and LinkedIn integrations to reconnect the site with the cooperative's outreach channels.

PROJECTS

MatchMind – Football Match Predictor | ShellHacks 2026 **Sep 2026**
Java, Google Gemini API

- Built solo during the ShellHacks 2026 hackathon: a Java web application that uses the Gemini API to generate football match predictions and analysis.

Kaffee Peru – Coffee Production & Export Database **Oct 2026**
MySQL, Java, JDBC

- Designed a relational database from scratch for a coffee production and export company and connected it to a Java application through JDBC.
- Planned role-based access so each employee can query and upload data according to their responsibilities.

WORK EXPERIENCE

Fronzoli **Feb 2023 – Present**
Founder & Sales Manager *Lima, Peru*

- Founded a clothing brand and took it from concept to production, managing suppliers, negotiating contracts and securing investor funding to scale.
- Lead design, branding and e-commerce sales strategy, reaching customers across Peru.
- Manage a team of three covering product photography, logistics and customer support.

Reebok **Mar 2026 – Present**
Sales Associate *Miami, FL*

- Process cash and electronic transactions accurately while assisting customers with product selection and inquiries.
- Conduct inventory counts and maintain accurate stock levels to support daily store operations.

LEADERSHIP & COMMUNITY SERVICE

Volunteer – Damian Project, Bridges Organization, IB CAS Program **Lima, Peru | 2020 – 2021**

- Taught English at under-resourced schools and helped build homes for families in need.
